

Bandit

Cabernet Sauvignon 2003

4-pack 250ml

Vineyards

For years, oenophiles around the world have fearlessly enjoyed wine in handy Tetra-Pak cartons. Leave it to the Jug Boys to snatch the idea and bring it to America. Bandit Cabernet Sauvignon is made from premium wine from some of California's best growing regions. Thief/winemaker Joel Gott and his band of trusty cellarmasters select and blend the lots for authentic varietal character, taste, and value. All this fermented grape goodness comes in practical 250ml cartons, perfect for solo sipping.

Winemaking

The wine has toasty, robust oak characteristics and underwent full malolactic fermentation for a rich, velvety texture.

Tasting Notes

Bandit Cabernet Sauvignon is brilliant dark red with purple tones. Aromas of blackberries and toasty oak echo on the palate. The wine is clean, rich and balanced with medium tannins adding structure and complexity. Will rock your food world with any dish.
