## ▶ VINEYARD INFORMATION

Grapes from the warm California North Coast give this wine its fruit-forward characteristics of ripe cherries and plums. The cooler vineyards of Monterey balance the alcohol and acidity levels.

## ▶ WINEMAKING

Our Cabernet Sauvignon was fermented using the rack-and-return method to help develop deeper color and greater flavor extraction. After a 14-day maceration, the wine was transferred to a combination of American and French oak barrels.

## ▶ WINEMAKER'S NOTES

Our North Coast Cabernet Sauvignon is a deep, jewel-toned red wine, with hearty yet approachable aromas. Intense, deep berry flavors with spice and mocha notes embrace the palate. French Oak aging adds toasty, vanilla and creamy notes. The wine finishes with smooth tannins. This versatile, medium-bodied classic North Coast Cabernet delivers the ripe fruit and broad mouthfeel typical of the region.
