

2012

# HANDSOME *Devil*

**RED BLEND**

*Forbidden fruit always tastes sweeter.*

Tempted by rich, sinful wines? Then it's time you met this Handsome Devil from California.

**SPEAK OF THE DEVIL:** Made in a fruit-forward, easygoing style, our Winemaker's Blend is tempting indeed. Alluring fresh raspberry and vanilla aromas lead to juicy cherry and berry jam flavors with whispers of spice and vanilla. This luscious wine is lively on your palate, with silky-smooth tannins and a lingering finish. When a wine tastes this sinfully good, you've got to give the devil his due.

Handsome Devil Winemaker's Blend is a match made in heaven for hot & spicy BBQ ribs, grilled lamb chops, and spaghetti Bolognese.

**VINEYARD & WINEMAKING:** When it comes to winemaking, we believe the devil is definitely in the details. For our Winemaker's Blend, we harvest grapes from premiere vineyards in California's best growing regions. Cabernet Sauvignon provides the backbone for this blend, while Merlot adds a plush, velvety texture. Syrah and Petite Sirah provide devilishly intense fruit flavors that tempt the palate. The delicious result is a beautifully balanced blend that's simply...heavenly.
