HANDSOME *Devil*

CABERNET SAUVIGNON

Forbidden fruit always tastes sweeter.

Let this Handsome Devil tempt you and we think you'll agree – the devil is in the details.

WINEMAKING: For our Handsome Devil Cabernet Sauvignon, we harvest grapes from premiere vineyards in California's best growing regions. To enhance aromas and round out flavors, grapes undergo malolactic fermentation before aging on French and American oak. The delicious result is a beautifully balanced, full-bodied Cab that's impossible to resist.

TASTING NOTES: Made in a lush, balanced style, our Cabernet Sauvignon is tempting indeed. Enticing cherry and vanilla aromas lead to wild berry, black cherry and cassis flavors with a kiss of toasted vanilla and spice on the palate. This full-bodied wine is approachable and food-friendly, with a long, smooth finish.

Handsome Devil Cabernet Sauvignon is a match made in heaven for cheddar cheeseburgers, garlicky roast chicken, and bittersweet chocolate cake with raspberries.
