red sangria

Find your place in the sun with Sol Rio Sangria.

Nothing gets the party started like Sol Rio Sangria! Fun and festive, this fresh, fruity beverage combines premium California wine with natural fruit flavors. This zesty sangria is perfect for entertaining. All you need to do is grab a few friends and turn up the music!

WINEMAKING:

Though it's made in California, Sol Rio Red Sangria is inspired by traditional Spanish sangrias. To begin, our winemakers source grapes from California's best wine growing regions, selecting fruit with generous aromas and juicy character. The grapes are then blended together, creating a luscious, fruit-forward red wine. The final wine blend is infused with lively, all-natural fruit essences and exotic spices. It's fun, festive and ready to show you a good time.

TASTING NOTES:

¡Delicioso! Flavors of tart cranberries, bright lemons, zesty limes, juicy oranges, and exotic spices form a conga line and dance across your palate. Refreshingly light with a crisp finish, Sol Rio Red Sangria is the perfect way to unwind. Simply chill—then chill out.

LET'S FIESTA!

Sol Rio Sangria is best enjoyed over ice and garnished with slices of fresh fruit. Make it a real party, and pair Sol Rio with tapas, spicy Asian cuisine, and a great playlist.
