## SPARKLING ROSÉ

### *Fashionably Fun*

The Fancy Pants Sparkling Rosé of Pinot Noir is made with grapes harvested from the best vineyards in Italy's most North Eastern region. This premium region showcases cool-climate vineyards, where grapes develop delicate aromas, vibrant flavors and great balance and acidity.

### *Winemaking*

To preserve the wine's crisp, elegant fruit flavors and pretty floral characteristics, grapes are capped and drained before undergoing 100% non-malolactic fermentation in cold stainless steel. After fermentation, winemakers add just a kiss of blush wine—giving our Sparkling Rosé its stunning color.

### *Tasting Notes*

The Fancy Pants Sparkling Rosé is a beautiful shade of rosy-pink that parades bright, festive bubbles in the glass—perfect for sharing during sunset hour or any celebration. Extravagant aromas of white peaches, honeysuckle and citrus lead to opulent flavors of juicy melon, honey and mango followed by a crisp finish with lingering vanilla notes. This sparkling wine is balanced with floral notes and hints of lemon tart, a wine designed to quaff and enjoy. Pair the Fancy Pants Sparkling Rosé with an elegant aperitif of soft, mild cheeses or fresh fruit, and if you really want to be blown away, pair with a freshly-baked strawberry rhubarb cobbler.
