## PROSECCO

### *Fashionably Fun*

The brilliant Fancy Pants Prosecco is crafted with 100% premium Glera grapes sourced from some of the most outstanding vineyards in Friuli, Italy's most North Eastern region. This is where warm, sunny days tempered by gentle marine breezes produce grapes with fragrant aromas, full flavors, and bright acidity—ideal for our Bubbly Prosecco.

### *Winemaking*

To enhance the wine's fresh, fruity aromas, bright flavors, and crisp acidity, the grapes undergo 100% non-malolactic fermentation in cold stainless steel. During the blending process, winemakers add just a touch of natural grape sweetness to round out the flavors and highlight the wine's silky smooth finish. The result is a soft and crisp with a touch of sweetness bubbly prosecco.

### *Tasting Notes*

Pop the cork and you'll see Fancy Pants Prosecco is everyone's favorite party guest. This sparkling wine is filled with forward, mixed fruit and abundant aromas of floral, citrus notes. Subtle pear, orange and sweet melon rise from the glass as tiny bubbles burst on the surface, leading to vibrant tropical fruit flavors with hints of toasted almond on the palate. Delicious and elegant, this wine is balanced with a hint of tartness – the perfect light drink to sip on and mingle. Our Prosecco is incredibly versatile, and pairs beautifully with caviar, soft cheeses or splashed on top of fresh oysters. Make every occasion shine with Fancy Pants Bubbly Prosecco.
