## MOSCATO D'ASTI

D.O.C.G.

SEMI-SWEET WHITE WINE

PRODOTTO IN ITALIA

QUARTA GENERAZIONE DI ENOLOGI

*Speciale Taglio*

### VINEYARD INFORMATION

The grapes are harvested from the rolling hills of Piedmont, Italy where the cooler temperatures paired with soils that are a blend of limestone and sandstone, provide the perfect environment.

### WINEMAKING

After pressing, the juice is fermented Charmat-style, in stainless steel pressurized tanks which allows it to retain its natural carbonation and preserve the natural balance of sweetness and acidity.

### TASTING NOTES

A clear, brilliant light straw-green color and rich aromas of peaches, stone fruit and a touch of floral notes invite you to taste this wine. On the palate, there are soft, crisp flavors of peach, apricot and honey that balance perfectly with the light carbonation making this a perfect sipping wine when chilled.
