# HANDSOME *Devil*

**SINFUL**  
RED BLEND

*Forbidden fruit always tastes sweeter.*

## **SPEAK OF THE DEVIL**

Why be a saint when being a sinner is so deliciously divine?

Crafted in a generous, fruit-forward style, Sinful is so wickedly good, you'd sell your soul for a sip. Fresh raspberry and decadent vanilla aromas lead you into temptation, urging you to surrender to juicy black cherry and rich berry jam flavors, warm spice notes and long, lingering finish.

Sinful is luscious and full-bodied: a match made in heaven for thick T-bone steaks, spicy Texas chili and wild mushroom risotto.

## **VINEYARD & WINEMAKING:**

When it comes to winemaking, we believe the devil is definitely in the details. For Sinful, our winemakers went to hell and back in search of grapes with bold character and lush flavors. Sourced from premier vineyards in California's Central Coast, Lodi, and North Coast appellations, this devilish red blend is heavenly indeed, bringing together Merlot for its plush, velvety texture, Cabernet Sauvignon for its bold flavors, Petite Sirah for its firm structure and mouthfeel, and Syrah and Zinfandel for their concentrated fruit flavors and spice. The wine is fermented with multiple yeast strains and enhanced with French and American Oak to add complexity, body and irresistible whispers of vanilla. The result is a perfectly balanced, absolutely sinful wine—the answer to all of your prayers.
