CHARDONNAY
CALIFORNIA

VINEYARD INFORMATION

We hand select only the finest grapes from our coastal vineyards located in Coastal and Lodi-Delta regions. The cool coastal influence allow the grapes to ripen slowly, leading to a rich and complex Chardonnay with exceptional balance.

WINEMAKING

The majority of this California Chardonnay was cold-fermented in stainless steel tanks while undergoing only partial malolactic fermentation to ensure its vibrancy and crisp varietal flavor.

TASTING NOTES

This unique Chardonnay offers complex varietal aromas with citrus and pineapple flavors, and a top note of sweet oak. The palate is crisp and balanced with a touch of sweet vanilla and oak undertones.
