Tasting Notes:

The 2016 harvest in Puglia, Italy was cool and wet. Rain and weather conditions resulted in an early harvest. Partnering with meticulous farmers resulted in perfectly ripe fruit with slightly lower alcohol than average. This wine has great balance and a softness which makes it easy drinking and enjoyable.

Look: Good clarity, pale straw color

Nose: Fresh citrus, lemon and lime, cantalope and tropical fruit aromas framed by stone fruit fragrances of white nectarines.

Mouth: A clean, rich mouthfeel with good viscosity complemented by crisp acidity and notes of stone fruit and minerals. This wine is a classic Italian Pinot Grigio from a very special area in Italy.
