

Pomelo

WINE CO.

SAUVIGNON BLANC

CALIFORNIA

Crisp, Light, Refreshing

Pomelo wines are known for their refreshing and expressive fruit profiles that please every palate. Sourced from well-known wine growing regions in California, we work closely with growers to hand select grapes that ripen gradually and evenly, producing clean, approachable and balanced flavors.

WINEMAKING

These grapes are harvested at optimal ripeness and then separately fermented in stainless steel tanks at cold (44-48°F) temperatures to retain varietal character and bright, clean fruit flavors.

TASTING NOTES

Classic California Sauvignon Blanc. Aromas of fragrant white blossoms lead to white peach and ripe citrus on the palate and a crisp, refreshing finish.

PICNICKING

LOUNGING

ADVENTURING

Size 375mL aluminum cans

Case Pack 12-pack
(12 units per case, labeled for sale as individual units)

Appellation 100% California

Non-Vintage

Varietal Sauvignon Blanc

Alcohol 12.82%

TA 0.61 g/100mL

pH 3.29

RS 0.29 g/100mL

BENEFITS OF CANS

Portable

100%
recyclable

Equal to half of
one standard
wine bottle

Lightweight

Cans chill quicker
than bottles

Puncture-
resistant

Barrier against
light and oxygen
